Eisele FW 240/185 [9930023020000081]

Year of manufacture: 2011

Date: 06.11.2026

Design: Manure technology + manure technology

Category: Pumpass

€ 32,900.00

plus VAT 19% (€ 39,151.00 Gross)

Equipment

Mounting device for application technique	Bomech
Attachment	unten
Working width	24
Design	pump
Filling system	saugarm
Container material	gfk
Tyres	750/60 R30,5
Air brake	✔
Landing gear	Tandem axle
Ball head K 80	✔
Pump type	Rotary lobe pump
Technical condition	Ready to drive/operate

Description

- Tires 750/60 R30.5
- Bomech towbar length 15m, year of construction 2009
- Cardan shaft
- Börger FL 1036 rotary lobe pump, year of manufacture 2017
- Â 4th point rear hydraulics
- Air suspension
- Mechanical front insertion dome
- Forced steering
- Hydraulic drawbar suspension
- Docking arm right
- Electric operation
- Cutter hydraulically driven
