| <b>Suspension</b>                                | Hydraulic            |
| <b>Foreign body separator</b>                    | ✗                    |

### Description

- Tires 750/60 R30.5
- 3 axles
- hydraulic chassis
- Suction arm on top of the container with accelerator
- 4-point hydraulics
- Accelerator
- automatic central lubrication
- Bomech trailing shoe hanger Multi 18 mtr.
- Year of manufacture 2022
- Operation via joystick
- Muller Trac Guide III operation

|                            |                        |
